### **Greetings MDT Dancers, Families and Fans!**

Another successful season is almost in the books! We are so proud of our dancers for growing so much the past few months and making this season one to remember. These girls are the reason why us coaches love what we do!

Girls – Your commitment and hard work inspire us coaches every day. This team is an example of how working through adversity builds a strong and high-spirited team. You consistently have each other's backs, show a positive attitude and give 110% in everything you do. We can't say it enough: we are SO proud of you!

Boosters and parents – Thank you for coordinating the fundraising and behind-the-scenes details that make each dancer feel special. Your presence and spirit at our performances means the world to them. Your pride in your dancer and our entire team is evident in everything you do!

Seniors – It has been a pleasure coaching you and watching you grow over the years. Your friendships have developed into such a tight group with a special bond. You are true role models to the future of this team. We will miss you and wish you the best of luck in all you do!

## Gwen Franklin

**Years on MDT:** 5

**My family:** Parents Jen and Michael; sister Madi

**How I've changed since freshman year:** I have more self confidence and my skills have improved a lot

**I will always remember:** Walking off the floor after an amazing run with everyone cheering

**Advice for younger dancers:** Put all of your effort into each practice and always try your absolute best

**I first started dancing:** At Just For Kix (JFK) in 5th grade

**Favorite food:** Pasta

**To my parents:** Thanks for always being there for me and supporting me through my many years of dance team. You have done so much for me and I appreciate you more than you will ever know. I love you so much!

## Gabi Frothinger

**Years on MDT:** 5

**My family:** Parents Bill and Karen; sister Migi

**Nickname(s):** Gab, Gabisourus, Gabalicious

**How I've changed since freshman year:** I've learned how to take corrections through dance and apply them thoughtfully and correctly. I have also learned more technique and gained so much strength both mentally and physically. And finally, I've become more confident in dance and myself.

**I will always remember:** The time when the ceiling of the bus was covered in balloons and photos of every dancer were printed on every window. There were ribbons and paint everywhere. Great times!

**Advice for younger dancers:** Never give up on yourself, nothing is impossible. You have to BELIEVE in yourself. It's all about having a positive mindset at the hardest times and working hard to accomplish your goals. The key is perseverance.

**I first started dancing:** Around 4-5 years old taking ballet classes.

**To my parents:** I am so grateful for your support of my dance career. Thank you for coming to my meets and for cheering and yelling my name when I walk onto the floor. I appreciate all that you have done for me these past 5 years. I love you!

## Amelie Grund

**Years on MDT:** 2

**My Family:** Parents: Bettina and Lance; brother Gavin

**Nickname:** Am

**Pre-performance ritual:** Hying up my teammates in visualization circle. As well as having a pep talk with Kylee as I hand over my inhaler.

**How I've changed since freshman year:** I have gained confidence

**I will always remember:** My first time walking out into the gym to perform. There's no other feeling like it — the adrenaline, the excitement — and then the feeling like I have to pee.

**Advice for younger dancers:** Take it all in and bond with your teammates. They are like your family. Dance team goes by so fast and is over before you know it so cherish your time and soak in all the goodness.

**One thing I can't live without:** My friends. You make core memories with them and they help get you through the difficult times.

**Plans after graduation:** I'm still figuring that out. But, I will either be going to Dunwoody to get an associate degree in radiologic technology or to a 4-year college and majoring in psychology.

**I first started dancing:** In 9th grade at Just For Kix (JFK).

**Favorite food:** Anything sweet or empanadas, especially from Del Sur.

**Favorite song:** There are too many songs to choose from. But I love rap and honestly any genre of music!

**To my parents:** As I've gotten older you've always been there to offer encouragement, advice and support. You've helped shape me into the athlete and person I am today. I couldn't have made it through school and dance without you. The times when I've wanted to give up, you have pushed me through with your motivational talks. You've taught me that persistence pays off. I am forever grateful for all you have done for me. I love you endlessly.

*Layla Jones Julien*

6/17/04 – 12/13/22

Layla Julien passed away on Dec. 12 after a 16-month battle with brain cancer. Throughout her treatments, she remained courageous and positive – a true inspiration to all who knew her.

A 2022 graduate of MHS, Layla was a dedicated member of the Skipperettes performance and competition dance teams. Most recently, she was enjoying her freshman year at the University of St. Thomas.

Layla brought light into every room she entered with her smile, sense of humor, kindness, and inclusion of others.
