PUBLIC SCHOOLS

# THE MINNETONKA EXPERIENCE

# THE STUDENT EXPERIENCE

Students feel a strong sense of inclusion and belonging in the school community that is grounded in respectful and caring relationships.

Students engage in learning environments that promote curiosity, critical thinking, authentic learning, and collaboration.

Students are inspired and challenged to explore their passions through new learning experiences and making connections beyond the classroom.

## Strong Relationships

grounded in a positive,  
caring, connected,  
respectful community

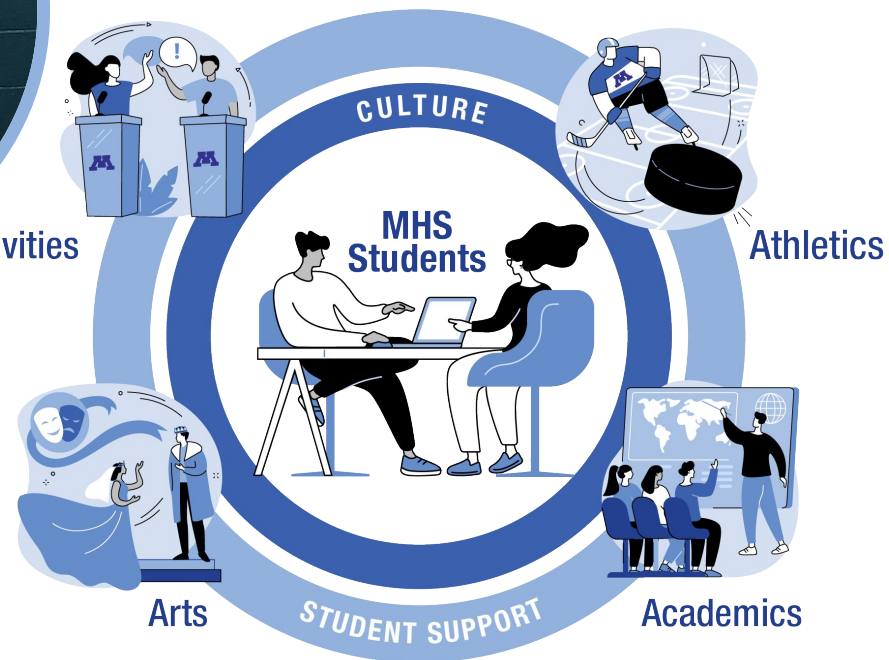

Meaningful, deep,  
authentic, challenging,  
and engaging with high  
expectations and support

## Exceptional Instruction

# Registration Considerations

- **Pick electives based on your interests-** similar registration does not mean similar schedules
- Make sure to enter alternative courses
- **There are no schedule changes** (example: lunch or changing teachers).
- Now is the time to select the classes you would like to take- we build the schedule based on your registration.
- Summer classes: register now

# SETTING YOUR COURSE

## Skipper Log | MHS Course Catalog

Serving students well and inspiring them to reach their highest levels of personal and academic achievement is the essence of our quest to be a world-class high school. Toward that end, all learning experiences, curriculum offerings, supplemental programs, enrichment opportunities, staffing models, facility designs and usage, and co-curricular activities support student success and lifelong learning.

The Minnetonka High School online Skipper Log Course Catalog is your guide to the many academic opportunities available to you. We encourage students to visit all of the pages in this section to:

- Learn more about our academic departments and the dynamic courses they offer.
- View academic "Pathways" to help you visualize your high school goals.
- Explore [Dual Enrollment](#) to discover the many ways to earn early college credits.
- Download the [Registration Planning Worksheet](#) and upload it to Notability to begin mapping courses for next year.

***Your Time. Your Choice. Your Space.***

# Experiential Learning at MHS: For every student

**Engage** students to apply learnings in a specific area to real-life situations.

**Encourage** next-generation leaders to use their knowledge, curiosity, and creativity for career opportunities.

**Help** students develop power skills appropriate for their field of study (communication, collaboration, leadership, problem-solving).

**Develop** courses and opportunities that expand students' options beyond high school (certifications, CIS, AP, IB).

**Empower** teachers to make connections outside of education.

**Create** a real-world setting where students have ample space, support, and tools for learning.

**Connect** students with the broader community for learning and networking.

## Momentum Automotive Video

### Our Vision:

- With MOMENTUM, we are driven to build skills centered, career connected students.

### Our Goals:

- Hands on, applied, and experiential learning.
- Labs not lectures.
- Career-oriented - Doing what you enjoy.
- Allow for creativity.
